## Comby hoe #4 long handled

A wide hoe for tilling the soil in the vegetable garden.

The open blade makes it easier to break the ground.

Also available with a short handle.

### Specificaties

| Item nr | Omschrijving                             | Gewicht | Formaat     | Handgreep |
|---------|--|---------|-------------|-----------|
| 020510  | Bandhamer met langesteel en nylon koppen | 1,90    | 300x190x190 |           |
