

DeWit

De Wit's reed 1a

9864 TA Kornhorn The Netherlands

+31 594 659016

Greenhouse trowel ash handle 100mm

This super small shovel from DeWit is made for garden enthusiasts who garden in the greenhouse or on the balcony. Working with herbs, potting seedlings and growing cacti, for example, is more fun with good tools. DeWit's bonsai tools are forged and hardened and, despite their small size, great in quality.
