

DeWit

De Wit's reed 1a

9864 TA Kornhorn The Netherlands

+31 594 659016

DeWit® original Dutch handhoe with 14cm half moon blade.

This original half moon handhoe is made by our family since generations. The blade is forged and that the guarantee you have when using this tool for life. The hardened blade is made of boronsteel to keep it sharp as possible. The wooden handgrip is made of ash.
