Planting trowel X-treme ash drop-grip handle 480mm

Created from the best steel and by the best craftsman in the world. The steel is forged and hardened and the original DeWit **finishing** makes it to a perfect help in your garden. The 48cm drop grip handgrip is made from Ash wood. The longer handle makes working in raised beds and leveled borders easier. **Unique** on these DeWit trowels is the cutting edge, it's sharp as a razorblade from the top till the end.
